## **Terms:**

To get the price category "price 1, 2, 3" you need to make a one-time order of a certain amount in order to fix the price from this category for a year:

For «price 1» - need to make an order for 350 euros,  
or amount of orders per year will be at least 1.200 euros

or amount of orders per year will be at least 3.000 euros

Otherwise, the price will rise one category higher (For example, if it was «price 3», it will become «price 2»).
